

## Complaints handling procedure

We always aim to provide the best possible service and if there is a problem, we will do all we can to put things right for you.

We use the information gathered from enquiries and complaints to continually improve the services we provide to our customers.

### Step 1: Get in touch with us

If you have a problem, we want to resolve it for you as soon as possible. Our Customer Service team is on hand to help by calling **0800 912 1700** or emailing [customer@sgn.co.uk](mailto:customer@sgn.co.uk). You can live chat with our Customer Service team through our website [sgn.co.uk](http://sgn.co.uk).

You can also reach us on social media by searching for [SGN on Facebook](#) or [@SGNgas on Twitter](#). If you'd prefer, you can write to us at SGN, Inveralmond House, 200 Dunkeld Road, Perth PH1 3AQ.

When you contact us, it would be helpful if you could provide us with the following information so we can deal with your complaint more efficiently:

- Full contact details (name, company name (if applicable), address, telephone number and email address)
- Full site location address and postcode
- Any relevant reference numbers

Our complaints handling procedure is available in different formats and languages by calling our Careline on 0800 975 1818 or emailing [customer@sgn.co.uk](mailto:customer@sgn.co.uk).

### What we will do to put things right?

We treat all complaints seriously and confidentially. We will fully investigate your complaint in line with our complaints handling procedure, and we will do this in a courteous, prompt and straightforward manner. Your complaint will be reviewed by our Customer Service team or local depot management team. We'll provide a substantive response within 10 working days or 20 working days where a site visit or third-party enquiry is required.

### What resolution can you expect?

The different resolutions you can expect from our complaints are:

- An apology where we have failed to provide a satisfactory level of service
- An explanation addressing the issue(s) you have raised
- Appropriate remedial action
- Awarding compensation, in the appropriate circumstances, under our Guaranteed Standards of Service as prescribed and monitored by our regulator Ofgem
- Awarding a goodwill payment, if appropriate to the circumstances

### Step 2: Escalation to our Head of Customer Experience

If you cannot reach agreement with our Customer Service team or our local depot representatives, you can escalate your complaint to our Head of Customer Experience, who has the authority to review your complaint and take an independent view.

Our Head of Customer Experience will investigate your complaint fully and provide a substantive written response within 10 working days or 20 working days where a site visit or third-party enquiry is required. Please be aware that as part of the review, our Head of Customer Experience may ask for assistance from a local senior manager.

You can contact our Head of Customer Experience by emailing [headofcustomerexperience@sgn.co.uk](mailto:headofcustomerexperience@sgn.co.uk). You can also write to Head of Customer Experience, Inveralmond House, 200 Dunkeld Road, Perth PH1 3AQ.

### Step 3: Independent review by the Energy Ombudsman

We recognise we may not always succeed in wholly resolving your complaint. If we cannot agree a satisfactory resolution within eight weeks of you making your complaint, your complaint can be 'deadlocked'. This means we'll send you a letter explaining that we've been unable to resolve your complaint to your satisfaction.

If your complaint has been deadlocked or more than eight weeks have passed since your initial complaint, you can contact the Energy Ombudsman. This is a free and independent dispute resolution service for domestic customers, approved by the energy regulator Ofgem.

The Energy Ombudsman will investigate your complaint but will expect you to have first approached us and followed our complaints handling procedure. The Energy Ombudsman will make a final decision and inform you of the outcome.

You can contact the Energy Ombudsman by calling 0330 440 1624. Alternatively, you can write to; Ombudsman Services: Energy, PO Box 966, Warrington, WA4 9DF.
