Dear Sir

I am writing to object to SGN's CPO application for the Kingsferry Gas Pipeline Replacement Project.

As part of the Heathcote Holdings Group, Countrystyle Recycling Ltd is a significant occupier of the land surrounding the designated area and are deeply concerned by the timing of this application.

As I am sure you are aware, there are significant road improvements under way at both junction 5 of the M2/A249 and Grovehurst roundabout which are expected to run until 2025. This CPO and resultant closure of the northern access road will seriously impact our operations and those of the other business in the area who heavily rely on the road infrastructure to manage our waste and energy contracts.

Please feel free to contact me direct if you would like to discuss further.

Kind regards

James Davey
