Mr McKenna,

As requested in your letter of 18 October to Grovehurst Energy (a subsidiary of DS Smith Group) , please accept this mail as notification of **our objection to the Order**.

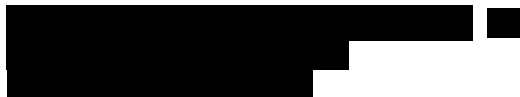

Our objection is to the proposed closure of the spine road, which would exacerbate traffic issues to our operations , especially with all the other traffic works in the area.

We have been in liaison with other equally impacted neighbouring businesses including Ridham Estates and Knauf with who we stay in touch via our local Kemsley Fields Business Forum and , **entirely without prejudice to our formal objection** , we remain committed to agreeing a compromise which addresses our concerns.

This formal objection arises from our interest as owners of part of the affected land (ref plot numbers 36 and 46) and we confirm the address you have used for Grovehurst Energy at [REDACTED] is correct, and would ask you mark any further communication for my attention. Anything sent by email to me is preferred – it will be quicker and easier and I will acknowledge it timely and will keep my locally based colleagues informed.

Please acknowledge safe receipt of this notification.
