Dear Stephen Waterfield

The Southern Gas Networks PLC (Kingsferry Gas Pipeline Replacement Project) Compulsory Purchase Order 2023 (the "Order")
Objection by Network Rail Infrastructure Limited

We write on behalf of our client, Network Rail Infrastructure Limited, to formally withdraw its objection to the Order.

The Southern Gas Network has entered into a compromise agreement with Network Rail, which provides a resolution to our client's concerns. Accordingly, we write to confirm that Network Rail withdraws its objection to the Order.

Yours faithfully

Dentons UK and Middle East LLP
